A Software Developer bringing practical experience in frontend development and web applications. With a Bachelor's degree in Computer Science from St. Paul's University, Kenya, and internships at World Agroforestry and Lake Basin Development Authority, possesses a strong foundation in HTML, CSS, JavaScript, and SQL. Adept at frontend frameworks like ReactJS, and skilled in version control with Git/GitHub. Committed to continuous learning and collaboration.

### WORK EXPERIENCE

#### Alx Africa • 09/2022 - 12/2023

##### Fullstack Software Engineer Apprentice

- I am an apprentice here learning and building full-stack projects.
- Constructed a full-stack clone app for AirBnB, achieving 70% of its functionalities, great learning and building process.
- Built the frontend user interface for an interactive link-sharing app utilizing reactjs.
- Crafted and hosted a visually appealing personal portfolio website, driving an increase in client inquiries and showcasing technical skills.

#### World Agroforestry • 02/2022 - 04/2022

##### Software Developer Intern

- Worked with JavaScript frameworks; Svelte and React
- Native to build native mobile applications. I learned version control and proper code management skills with Git/GitHub and also grasped the art of documentation utilizing
- Markdown
- Created a simple mobile app UI

#### Lake Basin Development Authority • 01/2022 - 02/2022

##### Tech Support Intern

- Developed expertise in hardware and software troubleshooting, providing prompt and efficient support to improve overall team productivity.
- Replaced 8 faulty ethernet cables, minimizing network downtimes and improving efficiency.

### SKILLS

- Attention to Detail
- Cascading Style Sheet
- Computer System
- DevOps Operations
- Git
- GitHub
- Hypertext Markup Language
- JavaScript
- Learning
- Markdown
- Python
- ReactJS
- Sass
- Shell Script
- SQL
- Tailwind CSS
- Teamwork
- Troubleshooting
- Ubuntu
- Web Development

### EDUCATION

#### Bachelor of Science in Computer Science

St. Paul's University  
Kenya  
12/2022
